TINY DIGITAL PRODUCTS. HUGE IMPACT.

PRINTABLES BY NUMBER

[Yes! I want it!](#)

COURSE DESCRIPTION

Learn how to **create small digital products like printables, ebooks, workbooks, planners** etc. and sell them on your blog, through a funnel or on platforms like Etsy to a full time income.

A fantastic course to add to any business model as small digital products can boost your profit margins, increase your conversions or grow your email list quickly.

LEARN HOW ?

To create and sell small digital products like:

- Printables
- Planners
- Workbooks
- Coloring Pages
- Ebooks
- Templates
- Stickers
- Digital Guides
- Scrapbooks
- ... And more!

\$4,000+ per month with printables!

My sales increase each month and I finally work from home full-time selling printables!

I've been a student of Suzi's courses for over 2 years now and all are golden nuggets especially Printables by Number!

WHO IS THIS COURSE BEST FOR?

- People who want to sell digital products
- Only requires low time commitment
- You don't need an audience to start this course
- People who wanted to be creative, and have fun.

WHO IS THE COURSE NOT FOR?

- People who get no pleasure from art, graphics, scrapbooking, etc.
- People who don't want to ever deal with customers (Please check Blog by Number course instead)

ALL THE GOODIES:

- Over 9 hours of **easy-to-follow videos**
- 10+ done-for-you graphic & design templates
- Learn **Canva & Powerpoint**
- Launch your own free "Resource Library"
